Percent satisfied with social and physical environment	97.9%	88.5%	95.2%
Percent satisfied with school-home relations	95.9%	95.1%	97.1%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Gold Hill Elementary School (GHES) is a K- 5 grade school serving about 855 students. Due to continued high enrollment at GHES, the school has an enrollment freeze in grades 1-5 for this school year. Our mission states: Gold Hill Elementary School, in partnership with its students, parents, community, and the Fort Mill School District, will

Guide learning opportunities in a safe and nurturing environment

Have high expectations to encourage one's personal best

Engage students in progressive and challenging lessons

Stay student focused by making all decisions based on "what is best for students."

Using the Fort Mill School District Strategic Plan and the GHES School Improvement Plan, our School Improvement Council, PTA, faculty, and staff worked together to establish goals for improvement for this year. Helping every student achieve the level of proficient on our state's Palmetto Assessment of State Standards (PASS), providing Financial Fitness for Life training for all teachers using a JumpStart grant, maintaining the Junior Achievement Program to help young people be more successful in a global economy, expanding our engineering curriculum in our STEM initiatives, adding LEGO kits for Simple Machines and Robotics for all students, incorporating Common Core Math Standards and related professional development, and utilizing data to make instructional decisions were just a few of our goals for the year.

GHES is fully accredited by the Southern Association of Colleges and Schools (SACS) and maintains an "All Clear" status from the State Department of Education. For the twelfth year in a row, the school earned the Palmetto Gold Award. Students demonstrated service learning through such projects as the Fort Mill Student Hunger Drive to collect food, Jump Rope for Heart, raising money for the Heifer International Service Learning Project, and donating Caps for Kids. GHES collected over 100 boxes of food for the Hunger Drive totaling over 4,038 pounds. Special programs and initiatives such as the Health and Nutrition Club, Art Club, Storytelling Club, Buzzy Beats, Hornets in Harmony, Accelerated Reader, Math Superstars, and the Academically Gifted Program give students more opportunities in advancing their skills. The Measures of Academic Progress (MAP) testing program is providing valuable information about the learning strengths and needs of our students. Compass Odyssey, a curriculum support and enrichment program which utilizes computers, helps to differentiate instruction and provide intervention, extension, and support for our students. Our PTA raised funds to buy LEGO kits, to provide garden supplies for our school garden, to purchase student agendas, new gym mats, and funded numerous teacher requests for supplies and materials.

We will continue to assess our strengths and weaknesses as part of our self-study for school improvement and SACS accreditation. The school will continue to set new goals for improved student performance and will continue to focus attention on student achievement, teacher quality, parent involvement, safety, technology advancements, health and wellness, and character education. We look forward to many successes as we continue to fulfill the mission of GHES.

Terry Brewer, Principal; and Barbara Little, School Improvement Council Chairperson
